Reference: 8812-4019, 23 Feb 1951; SOA-7061

1. With regard to paragraph 1 of reference [] made the following comments in a dispatch to Headquarters:

A. There was only one meeting between RUCATMAP and [] even though the former suggested holding another meeting prior to his departure from Rome.

B. Although RUCATMAP spoke of RUCASTING operations in Albania, [] and his political friends completely discounted the existence of these operations.

C. There were no other reports in Rome concerning RUCASTING operations nor were there any indications that [] had spoken of RUCATMAP's disclosures.

2. In view of the information received from [] Headquarters, because of the circumstances involved in the APPL operation, still maintaining the position described in paragraphs 2 and 3 of the first reference. However, we will remain on the look-out for other information which might throw more light on the subject.
